

Simple, minimalistic navigation bar
(could make it fixed)

This section would be a nice way to introduce yourself to the audience

Godt design skaper ekte verdier.
Vi designer for mennesker,
bedrifter og samfunnet.

Layout

<https://www.juxtapose.com/>

Another good way to introduce yourself, including the side pictures to showcase your own artwork

The top picture elements automatically move as if the user was scrolling through them. I think that would be a nice feature to have to showcase some of the projects done.

I like the simplistic navigation bar
