Profile

Passionate about UI/UX design, animation, and game development, with strong skills in interactive digital art. Proficient in Adobe Creative Suite, Figma, Maya, and front-end web development (HTML, CSS, JavaScript). Eager to apply my skills in a 6-month internship starting early 2026, in France as part of my Erasmus program.

Internship Availability

- Available for a **full-time 6-month internship in France starting January 2026** as part of my Erasmus program.
- My university (**South East Technological University, Carlow**) will provide the required **internship agreement (*convention de stage*)** for this placement.
- Seeking opportunities in **animation, concept art, graphic design, or UI/UX design**.

Technical Skills

- **Animation & Game Design:** Maya (3D Art & Animation), Adobe Animate, SFML
- **Graphic Design & Visual Effects:** Photoshop, After Effects, InDesign
- **UI/UX & Web Design:** Figma, Adobe XD, Penpot, HTML, CSS, JavaScript, Svelte
- **Programming & Development:** C++, JavaScript (game coding), GitHub, Codeberg

Education

BSc (Hons) Computing in Interactive Digital Art & Design – South East Technological University, Carlow (2023–2027)

Current GPA: 82.12 (2.1)

Selected Modules: Game Design (93), Concept Art (88), Animation Principles (90), Data Analytics (97), Web UI Design (79)

Leaving Certificate – Bunclody Vocational College, June 2023 (544 points)

Projects

- **3D Art in Maya:** Designed and modelled 3D assets.
- **Personal Portfolio:** Built my own online portfolio using Svelte.

- **Educational Website:** Collaborated in a group to design and develop an educational site.
- **To-Do App:** Designed an interactive to-do app prototype using Penpot.
- **JavaScript Game:** Coded a game from scratch in JavaScript, including artwork.
- **2D Digital Art (Photoshop):** Created assets for game prototypes and animations.
- **UI Wireframing & Design:** Designed user interfaces using Figma, InDesign, and Penpot.
- **Gamification Projects:** Designed interactive mechanics to improve user engagement.
- **C++ and SFML Mini Games:** Developed single-player games with UI elements.

Experience

Barista – Brother Coffee, Wexford (2023–Present)

- Delivered excellent customer service and created a welcoming environment.
- Managed orders, payments, and maintained high standards of cleanliness.

Sales Assistant – Mr. Price, Wexford (2021–2023)

- Handled transactions and stock rotation with attention to detail.
- Ensured customer satisfaction and contributed to a positive team environment.

Volunteer – Kilkenny Animated (2024 & 2025)

- Helped out with different parts of the festival, from welcoming visitors to supporting staff behind the scenes.
- Enjoyed meeting people in the animation community and learning more about the industry.
- Built confidence working with a team in a busy, creative environment.

Achievements

- Gaisce Bronze & Silver Medal (Irish President's Award)
- Best Female Junior Certificate (2020)

Languages

- English – Fluent
- French – Intermediate
- Polish – Fluent/Native

Interests

Digital art, animation, game design, travel & cultural exploration.
